

Welcome Check List

Dear Mr. or Ms.:

Thank you for choosing Internal Medicine Associates. Our goal is to provide you the highest quality medical care

We ask that you take an active role in your healthcare and know what your choices are as well as what your insurance will and will not reimburse for.

Please visit the following website for additional information on Medicare

www.cms.hhs.gov

Also, we ask that you complete the following before your visit our office

- Complete Registration Form / Financial Policy
- Complete Medical History Form / Consent Form
- Complete the Authorization Form for Medical Records Release
- Complete the Marketing Form

Please bring the following with you on your visit

- All of your **current** medications you are taking (please bring the bottles)
- Please try to have your medical records with you.

Please note you can go to www.imajohnscreek.com and request a patient portal id and complete the medical history part of our forms on our patient portal.

This portal will allow you to send messages to your provider, request medication refills, make an appointment, and view your lab results once you become established with our practice.

Again thank your choosing Internal Medicine Associates of Johns Creek
